## A WONDERFUL PURCHASE OF WOMEN'S SUITS to Sell at

Would Be Astonishing Value at \$15 and \$18

On account of the very unseasonable weather so far this fall, coat and suit makers are hard pressed for business, and were glad to accept the extremely low figures we offered them to close out their surplus stocks. Therefore, right at the very first of the season, owing to our policy of passing the advantages of special purchases along to our patrons, you have this splendid opportunity to secure your new fall Suit at a sacrifice price.

Every one of these Suits is up-to-the-minute in style, and owing to this maker's reputation for superior tailoring and fit, you are sure of satisfaction on these points. The coats feature the new long Redingote effects and are nicely trimmed at collar and cuffs with plain and fancy materials; the skirts are in the new yoke plaited styles, with a slight flare at the bottom. Materials used are serges and chevots, in all desirable colors, with guaranteed satin linings.

## ANOTHER BIG PURCHASE OF FALL SUITS to Sell at

Cannot Be Duplicated for Less Than \$25

When we made our offer to this manufacturer we hardly expected it to be accepted, as they are numbered among the largest in the country, and very rarely cut their prices; They, too, have felt the effect of warm weather, and therefore took advantage of our offer to clean out all the remaining Suits in his stock.

Made of gabardines, serges, chevots, broadcloths, poplins and fancies, in the stylish long Redingote models or the new short coats, with fancy cuffs and collars; skirts are in the new yoke plaited styles, with a suggestion of flare at the bottom, the range of colors is complete, embracing all the new shades for fall and winter. This is truly a sensational value that no prudent woman can afford to let slip by. Remember, that our guarantee of absolute satisfaction goes with every Suit or your money cheerfully refunded.
